There is clear evidence that some individuals who contract the COVID-19 virus have no symptoms or have mild symptoms, which means they may not be aware they carry the virus. Because even people without symptoms can transmit the disease, and because evidence shows the disease is easily spread, gatherings may promote the transmission of COVID-19.

An inherent risk of exposure to COVID-19 and other infectious disease exists in any public place where these gatherings occur. COVID-19 is a contagious disease that can lead to severe illness and death. By signing this waiver, the individual understands and assumes all risks related to exposure to any infectious disease, including COVID-19

Since the use of firearms and/or horses is dangerous we require all shooters and observers to assume all risks by signing this release.

We ask your cooperation, as a contestant, to abide by the rules set forth herein, so as to achieve for all of us in the sport of "Cowboy Action Shooting", a fun and safe event.
